MILL 020/2016

September 26, 2016

**Subject:** The progress invest in Millcon Thiha GEL Limited

**Attention:** President

The Stock Exchange of Thailand

Regarding to the notice no. MILL 026/2014 dated 22 July 2014, informed that Millcon Steel Plc. ("the Company") had set up a joint venture company named Millcon Engineering Limited ("the JV"). The JV now has changed its name to be Millcon Thiha GEL Limited, the objective of the JV is to construct the factory for producing and distributing steel products in Myanmar.

The Company would like to inform that the JV, which its core business is to produce and distribute steel products in Myanmar, has already obtained the Letter of Approval of Factory Operation from Thilawa Special Economic Zone Management Committee, Republic of the Union of Myanmar and also officially started operating.

Please be inform accordingly,

Yours sincerely,

.....

(Ms. Jureerat Lapanavanich)

Director
